

PRESS KIT

G. R. Meneghetti
Argentine Dark Fantasy Author
Author of The Last Redeemer Trilogy
Author listed in the Authority File of the
Mariano Moreno National Library of Argentina
Santa Fe, Argentina

Author profile

G. R. Meneghetti is an Argentine dark fantasy author. His work explores broken faith, redemption, and the deepest regions of the human soul, blending mythology, religious symbolism, and contemporary epic narrative. He is the author of The Last Redeemer, a trilogy developed over nearly two decades.

Main work

The Last Redeemer: The Hunter's Path

Dark Fantasy · Mythology · Apocalypse

After millennia of silence, Hell begins to move once more. Seven demons walk among humankind, and Caelus becomes the final barrier between humanity and its fall.

The Son of God now wields swords.

Victory may be the key... and the end, the true beginning.

Institutional Recognition

- Author incorporated into the Authority File of the Mariano Moreno National Library of Argentina.
- The work was declared of cultural interest by the Chamber of Deputies of the Province of Santa Fe.
- Institutional recognition by AMSAFE – Teachers' Association of Santa Fe.
- Declaration of Cultural Interest by the City Council of Laguna Paiva

Narrative Innovation

Creator of the N.E.T. System (Extended Transmedia Narrative), a proprietary methodological framework for the design and expansion of complex narrative universes. It was published as an academic paper with DOI on Zenodo (CERN).

The system enhances the reading experience, while the novel can be fully enjoyed as a traditional standalone work.

Press & Appearances

Participation in the Córdoba International Book Fair (FILCA 2025)

- Presentations in libraries and cultural spaces across Santa Fe Province
- Interviews on radio, television, and digital media
